What type of information do I collect:

Currently, only I have access to the following data: the owner and creator of the website, and the creator-artist of the brand, in one person.

I receive, collect and store any information you enter on my website or provide us in any other way. In addition, I collect the Internet protocol (IP) address used to connect your computer to the Internet; login; e-mail address; password; computer and connection information and purchase history. I may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. I also collect personally identifiable information (including name, email, password, communications); payment details (including credit card information), comments, feedback, product reviews, recommendations, and personal profile.

How am I collecting information:

When you conduct a transaction on my website, as part of the process, I collect personal information you give me such as your name, address and email address. Your personal information will be used for the specific reasons stated above only.

Why am I collecting such personal information:

I collecting such Non-personal and Personal Information for the following purposes:

1. To provide and operate the Services;
2. To provide my Users with ongoing customer assistance and technical support;
3. To be able to contact my Visitors and Users with general or personalized service-related notices and promotional messages;
4. To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which I or my business partners may use to provide and improve my respective services;
5. To comply with any applicable laws and regulations.

How am I store, use, share and disclose my site visitors' personal information:

My company is hosted on the Wix.com platform. Wix.com provides me with the online platform that allows me to sell my products and services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

All direct payment gateways offered by Wix.com and used by our company adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of credit card information by my store and its service providers.

How I communicate with people who visit your website:

I may contact you to notify you about your account, resolve issues with your account, resolve a dispute, collect fees or monies owed, seek your feedback through surveys or questionnaires, send updates about my business, or as needed to contact you to enforce my User Agreement, applicable national laws and any agreements I may enter into with you. For this purpose, I may contact you by email, telephone, text message and post.

If you do not want me to process your data, please contact me at:
